Belchertown Sentinel
Maple Street
Granby, MA. 01033

Gentlemen:

Please print the following one time and send tear sheet immediately following publication to the Board of Health, 250 State Street, Granby, MA. 01033. Please publish the following notice on the Granby Page.

REGULATIONS FOR BODY ART ESTABLISHMENTS

PURPOSE: To establish comprehensive public health regulations and standards in order to protect the public health from any risks related to the practices of body art, including tattooing and body piercing.

- (1) These regulations establish the following required permits:
 - a. Body Art Practitioner Permit
 - b. Body Art Establishment Permit
- (2) These regulations establish minimum health standards for practice of body art. This includes specific requirements related to education, training and experience.
- (3) The regulation includes minimum requirements for the construction, operation and maintenance of the establishment, including required sanitation and sterilization measures and procedures to follow.
- (4) Accurate record keeping is required pertaining to all employees and clients, including inquiry reports and complaints.
- (5) A complete text of these regulations is available at the Granby Board of Health Office.

The effective date of these regulations is June 26, 2002.
